**Browser Compatibility**

This site is best viewed by browsers that support the capabilities of either:  
Mozilla Firefox 1.5  
Internet Explorer 5.5 or later

Click "myETF Benefits" on right menu bar

The screenshot shows a Microsoft Internet Explorer browser window displaying the website for the State of Wisconsin Department of Employee Trust Funds (ETF). The address bar shows the URL <http://etf.wi.gov/>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The website header features the ETF logo and navigation links for [members](#), [retirees](#), [employers](#), [governing boards](#), and [careers at etf](#). A search bar is located in the top right corner.

The main content area is titled "Welcome to the Department of Employee Trust Funds Internet site". It contains the following text:

We administer retirement and other benefit programs for more than 550,000 Wisconsin Retirement System (WRS) participants and 1,400 employers. Our programs cover state and local government employees and retirees. Our mission is to develop and deliver quality benefits and services to our customers while safeguarding the integrity of the Trust.

If you would like to learn more about the State of Wisconsin Investment Board, the state agency responsible for investing the assets of the WRS, please visit [SWIB's Internet site](#).

The site is best viewed with the screen resolution set at 800x600 or higher or [change your browser to view the text in a larger size](#).

Questions and comments can be sent to ETF anytime by sending an e-mail through the ["Contact ETF"](#) section of our site.

On the right side, there is a "what's new?" sidebar with a list of links:

- [Extended Hours](#)
- [October 11 Furlough](#)
- [2011 Insurance & FRA Enrollment](#)
- [It's Your Benefit](#)
- [Find Member ID](#)
- [myETF Benefits](#)
- [Trust Fund News](#)
- [Waukesha Office Closure](#)
- [Federal Insurance Changes](#)
- [Core/Variable Info](#)
- [Imputed Income](#)

The browser's taskbar at the bottom shows several open windows: Start, MailBox: wsd.k12.wi.us, WSD Internal Website, State of Wisconsin - D..., and How to use the back doo... The system tray shows the time as 10:38 AM.

Click on “myETF Benefits” link near bottom of the page.

Department of Employee Trust Funds  
August 9, 2010

### Online Service Now Available for Health Insurance

The Department of Employee Trust Funds (ETF) has launched the "myETF Benefits" system, a new online service that allows members covered under the state and local group health insurance programs to make changes to their health insurance coverage online. It's a significant part of the Department's overall strategic plan to offer benefit-related services and information online to Wisconsin Retirement System (WRS) members.

To use the new system, members must first register for online access by creating a Wisconsin User ID number and password. You will also be asked for your eight-digit ETF Member ID number. All members who are in our health insurance programs can find their ETF Member ID on their Navitus (pharmacy benefit) card. Active members can also find their ETF Member ID on this year's annual statement of benefits (which active members received from their employers in April). Retired members can also find their Member ID on any recent annuity mailer sent by ETF.

To get started, go to ["myETF Benefits"](#).

Click on “myETF Benefits” link near the top left

The screenshot shows a Microsoft Internet Explorer browser window displaying the Employee Trust Funds (ETF) On-line Network for Members (ONM) portal. The browser's address bar shows the URL <https://myetf.wi.gov/etf/internet/member/onm.html>. The page features a blue header with the ETF logo on the left and a banner image of a family. Below the header, the main content area is titled "Employee Trust Funds (ETF) On-line Network for Members (ONM)". A welcome message states: "Welcome to the Department of Employee Trust Funds On-line Network for Members (ONM) portal. This is a new and innovative way to retrieve historical data, keep your information current, and request information regarding ETF. ONM is an interactive Internet application that is easy and convenient to use." Under the "Applications" section, there are three links: [myETF Benefits](#), [Instructions](#), and [Instructional Webcast](#). A description follows: "Description: Provides employees the ability to submit changes to their current coverage including address/name changes, new enrollments, and qualifying event changes to their". The "Guidelines for Use" section notes that the system is designed for the latest version of [Microsoft Internet Explorer](#) or [Firefox](#), and recommends a screen resolution of at least 1024 X 768. The browser's taskbar at the bottom shows several open applications, including MailBox, WSD Internal Website, Employee Trust Fund..., and How to use the back doo... The system clock in the bottom right corner indicates 10:40 AM.

You may get to the “Drug Card” page or the regular WAMS logon page.

The screenshot shows a web browser window titled "ETF myETF Benefits myIdentity Verification - Microsoft Internet Explorer provided by Wisconsin School for the Deaf". The address bar shows the URL "https://myetf.wi.gov/ETFnMEBWeb/mMEB/mMEBAuth.jsp". The browser interface includes a menu bar (File, Edit, View, Favorites, Tools, Help), a search bar with "Google" entered, and a toolbar with various icons. The main content area features a blue header with the "etf" logo and the text "myETF Benefits". Below the header, the page is titled "myIdentity Verification" and contains the following text: "Use this screen to verify who you are. You must provide your ETF Member ID and Date of Birth. The information you enter must match the information on ETF records. All fields are required." There are two main sections: "I have an ETF Member ID" and "I don't have an ETF Member ID or I am not sure if I have an ID". The first section includes instructions to enter Member ID and Date of Birth, a checkbox for "Display my Member ID and Date of Birth on the screen:", and input fields for "Member ID:" and "Date of Birth:" (with a "MM/DD/YYYY" format hint). A "Verify" button is located below these fields. The second section includes instructions to click the "Help" button if the user does not have a Member ID or is unsure. A "Help" button is located in the center of this section. The browser's taskbar at the bottom shows several open applications: "Start", "MailBox : wsd.k12.wi.us", "WSD Internal Website - ...", "ETF myETF Benefits m...", and "How to use the back doo...". The system tray on the right shows "Internet", "100%", and "10:42 AM".
